Miracle of Full Recovery (/shinefm/Prayer/Detail/563210?returnToUserPage=False&isPraise=False)

Dear Heavenly Father, in praise of this wonderful morning, I pray that you will continue to be with my dear friend who is in the hospital on full life support. You are the healer, and I have full faith in that. I ask that through this day we can see even the smallest improvement toward recovery from her many medical issues. I pray you hold her husband and daughter in your care and give them the strength they need to endure through this time. You have said, whenever two or more of us AGREE in anything we pray for, in Jesus name, it will be done. (Matt 18:19,20) I pray all of this in the name of Jesus Christ, Amen.

Please pray for healing in my husband's heart. We are encountering huge decisions as we discuss separation and custody. I am presently moving out, whether that gives us the opportunity to decide to reconcile or maybe just beginning separate lives is in God's hands now. I pray for guidance and God's mercy on us as we embark on our futures. I know God is always with us but please pray that we are listening and act in kindness and grace during this emotional and difficult time.

Struggling, barely holding on (/shinefm/Prayer/Detail/562193?returnToUserPage=False&isPraise=False)

Honestly I'm not sure I am comfortable with this, but I don't know what else to do. Our lives are crumbling. Work is low bills are high and are the verge of losing everything. I am having a difficult time staying positive and faith is being challenged to say the least. I love my family but often feel they would be better off without me. My daughter is the only thing keeping me holding on. I feel that I have let them down. My wife thinks I'm a failure and our relationship is not going well. I try try to pray but don't know where to begin.

Since approximately 10 years ago, every job I get never lasts more than 3 -4 months no matter how hard I work or how well I try. I have prayed and fasted and I am still doing that. It is a cross and a spiritual burden that I have had to carry for all these years. I desire a release from this yoke. Please agree with me in prayers. Thank you and God bless.

tired... (/shinefm/Prayer/Detail/561257?returnToUserPage=False&isPraise=False)

my ex won't comply to court orders and give financial disclosure so that i can get a divorce. Its been 6 years of trying to get free and now he is trying to sue me to make me sign an agreement that I cannot get legal advice to sign because it is not backed up by enough financial documents. I am so tired of the abuse my ex and his counsel have put on me. Tired of working so hard to make ends meet while he lives high on the hog and ignores the orders in place. when will this end. i need a miracle, my ex and his counsel do not care that they have wasted all of the resources on trying to skirt around being accountable, and my children have lost out, .its bad enough that he was a cheater in the marriage and he has lied and manipulated me, and threatened my life, and his current relationship truly thinks he is innocent when in fact he has lied to er 2 now I cannot get a lawyer to sign the agreement because they know I have been under duress. Lord free me, im going to give up.

Need your prayer please (/shinefm/Prayer/Detail/561093?returnToUserPage=False&isPraise=False)

Please pray for me to find a job to cover my expenses as I am now single and making ends meet is a challenge sometimes. I recently went through a divorce and changed province for a fresh start but cost of living is so much more where I am and just dealing with this empty and lonely feeling is a struggle.

Please also pray that I will be able to afford to rent my own place and to help my parents/sister to come to Canada as I have no one here. Most of all please pray that I will grow spiritually in the Lord. Jehovah has delivered me from false religion and an idolitic home so I am now at liberty to worship and honour him more.

Thank you in advance for your prayers. Many blessings to you all and Happy Family Day!
